What is Tax Fee Protection Insurance?

HMRC tax and VAT investigations can be daunting, disruptive and expensive. DSG will assist you every step of the way to answer HMRC's questions and to demonstrate you are paying the correct amount of tax. This requires the expertise, time, flexibility and expense of your accountant on your behalf and such costs are not included in your regular annual fees.

Just as you take out contents insurance to protect your home or business, our Tax Fee Protection Insurance protects you against the unforeseen costs incurred by DSG when dealing with an HMRC enquiry.

HMRC Activity

- The "tax gap" is the difference between the amount of tax that HMRC believe it is owed, and the amount that is actually collected.
- In 2015/16 the tax gap fell to a record low of £34bn, driven by increased efforts by HMRC in detecting tax avoidance.
- HMRC will be continuing to work hard to collect more revenue through increased investigations from both full and aspect enquiries.

Insurance cover is provided by Markel International Insurance Company Limited, 20 Fenchurch Street, London, EC3M 3AZ bound pursuant to a binding authority with Abbey Protection Group Limited. Unique market reference B6027APG2014001 (or renewal or replacement thereof).

Why do I need Tax Fee Protection Insurance?

All business and personal taxpayers are at risk of enquiry. HMRC activity has been at unprecedented levels for a number of years to the point where enquiries are commonplace.

Even if the tax man finds no errors, the accountancy costs in dealing with HMRC can still be substantial.

For a modest amount you can enjoy the peace of mind that DSG can deal with the tax authorities on your behalf and you will not be subject to any additional expense.

What's excluded?

- Criminal prosecutions and fraud.
- Enquiries that have commenced prior to subscribing to the insurance.
- Routine compliance work, eg. preparing tax returns.
